

## How to get to Power POS Systems from the airport

- From the car hire area follow the signs to "R28 – Johannesburg". You will now be heading due east towards the city.
- The R28 freeway will merge with the R26 freeway and shortly thereafter you will see signs for "N3 – Pretoria" at the Gilhooleys Interchange.
- Follow the Pretoria signs which will take you over the N3 and loop you around to the left to join the N3 underneath the bridge.
- Proceed along the N3 passing the Modderfontein turn -off, the London Road turn-off and the Marlboro turn-off.
- The N3 now acquires extra lanes as it approaches the N3 / N1 / M1 intersection (Buccleuh Interchange)
- Stay in the middle or right lanes as you don't want to turn off this freeway which now becomes the N1 (South). The signs should say either "N1 – Roodepoort" or "N1 – Bloemfontein"
- At the bottom of the next hill you will pass the Rivonia Boulevard turn -off, go up the hill, curve gently to the left and start up another long straight hill. Stay in the left lane as you will need to take the "Sandton / Fourways" turn -off at the top of this hill.
- At the off-ramp turn left towards Sandton. Reset your odometer to 0 now! You will approach a crossing which is signposted as "Sandton" to the left and "Randburg" to the right (2kms). Stay in the right lane, go over the intersection and down the hill. Grosvenor Crossing shopping centre will be passed on your left as you go past the intersection. You are now in Hendrik Verwoerd Drive.
- Continue down the hill past the Kramerview Centre (on right) and past Sandton Clinic (on left , 4.8kms). Continue along Hendrik Verwoerd Drive towards the Randburg CBD. You will pass through the Bond Street intersection and you will then pass Nestle' House on your left (5.9kms).
- At the next traffic lights you will see a Caltex garage and a Steers outlet on your left. Turn right here into Burke Street.
- Continue down Burke Street, at the bottom of the hill the road takes a sharp 90° left turn into Oak Avenue.
- Proceed along Oak Avenue for 200 metres and you will see The Oaks Business Park, number 368 on your right. Turn right into the business park and we are the second building on the right side (Power House).
